

Title: NUM83R5

An immersive musical journey of exactly 7 minutes.

Legendary beats, vintage tracks, various styles, and perhaps even nostalgic samples from your childhood.

The focus is on samples of countdowns and counting samples, complemented by subtle references to other numbers. These are brought together in a flawless, mathematically synchronized audio experience.

Announced by the world's smallest and most famous inventor. ;-)

MIXED BY: ?

EXACT RUNTIME: 07:00

FORMAT: MASTER AUDIO WAV
